LEADERS *with heart*

LEARN THE LANGUAGE ENGAGE WITH THE CULTURE

French is spoken by 220 million people around the world and we invite you to lead the conversation!

We are a rigorous program that offers intensive one-on-one mentoring with professors, multiple opportunities to collaborate on original research and creative work with classmates.

Studying French will help you acquire a deeper understanding of your own culture and will go far in helping you **see the world from another perspective.**

Leaders with Heart need a broad awareness of other cultures to navigate challenges and opportunities of globalization.

Bilingualism will make you eligible for more jobs both within and outside of Canada.

MY HURON EXPERIENCE

I wanted to study languages because I understand that doors open when you can express yourself in multiple ways. At Huron, your professors are always there for you and it's easy to form relationships with them. They really push for you to succeed and will make sure you do your best. They take the time. That attention and the fact that many are Francophone means we benefit from their deep expertise. ”
